

StockTrack for ANCSA Corporations

For many years, *StockTrack* has helped Alaska Native Corporations and self-issuers nationwide simplify the time-consuming job of shareholder management. *StockTrack* is a full featured shareholder management system with loads of features. As users tell us, "*StockTrack* is very easy to learn and use."

StockTrack is reasonably priced and very cost-effective. For a one-time license fee and low yearly support fee, *StockTrack* takes care of everything related to shareholder management. It is the easiest to use and most feature-rich software of its kind.

See for yourself how our software can help you save money and cut down on the work involved with shareholder accounting. *View a Live Online Webinar* - Look at *StockTrack* and ask questions in an informative online webinar. See how easy and user friendly it is to use to keep and track of shareholder and stock ownership information, transfers, dividends, proxies, mail merges, reporting and more. Webinars are held on Tuesdays and Thursdays. Go to http://stocktracksoftware.com/st_reg_demo.htm or contact Janice at 973-251-9414 or jgonzalez@figtree.com to attend or for more information.

Training is available online or at our offices 30 miles west of Manhattan.
